

CHAPTER 2

AN ORDINANCE RELATING TO REIMBURSEMENT FOR PUBLIC SEWER MAIN EXTENSIONS

ARTICLE I. PURPOSE. The extension of a public sewer to serve any parcel or tract of land shall be done by and at the expense of the owner, although, the District reserves the right to perform the work and bill the owner for the cost, to perform the work itself, or to perform the work pursuant to special assessment proceedings.

Where the public sewer is more than four hundred (400) feet from the exterior wall of a proposed structure to the main sewer line the District may enter into a Reimbursement Agreement with the applicant to reimburse the applicant when others connect to the new main sewer line. The Reimbursement Agreement shall be valid for ten (10) years. Other applicants who connect to this main sewer line will contribute their proportionate share of the construction costs which shall be paid to the original applicant. The District Engineer in his sole discretion shall determine the relevant proportionality analysis to be used in a repayment calculation. No interest shall be due any applicant.
