# Agenda Summary Report

**To:** Mark R. Williams, General Manager *MRW*  
**From:** Michael P. Cortez, PE, District Engineer *MPC*  
**Mtg. Date:** December 8, 2016  
**Re:** Award of Contract to AnchorCM for Construction Management and Inspection Services Descanso Pump Station Generator Installation & Reliability Upgrades

## BACKGROUND:

Staff has requested for proposals from AnchorCM, Bellecci & Associates, and Nute Engineering for the construction management and inspection services of the Descanso Pump Station Generator Installation & Reliability Upgrades project that staff is concurrently recommending for award to Valentine Corporation at this Board meeting. Staff reviewed the proposals and found that AnchorCM's scope of services and fee estimate in an amount not-to-exceed \$35,450 is reasonable and best meets the requirements of the District.

## STAFF RECOMMENDATION:

Board approve Award of Contract to AnchorCM for Construction Management and Inspection Services for the Descanso Pump Station Generator Installation & Reliability Upgrades project in the amount of \$35,450.

## FISCAL IMPACT:

\$35,450

## PERSON(S) TO BE NOTIFIED:

AnchorCM
